The Wedderburn Hotel has been a local watering hole for many years. It certainly has stood the test of time. Some of the older outbuildings go back to the gold rush era in the 1800's, but the hotel is more modern around the 1970's.

Now under new manager and trading 7 days per week. The current operators have captured a changing and growing tourist trade, this business is showing that hard work does payoff.

TOURISM  BROKERS

Meals are provided with pride and there is no reason to go away hungry. No stone is left unturned in providing clean facilities.

An aggressive ongoing maintenance program has been undertaken by the current operators. Check out the latest online reviews. The hotel will shortly be able to provide alfresco street side dining, to compliment the streetscape project being currently undertaken by Loddon Shire Council.

Current operators need to move forward and this business is regrettably for sale. An inspection is the only way you will truly appreciate this Hotel business. Still plenty of improvement left for the serious operator. Call to arrange an inspection today .

Contact **Annette Adams** and **Reg Partington** from **Tourism Brokers** for further information or to arrange an inspection.
